AT THE FESTIVAL SITE

Festival gates and program starts every day at 2PM, and ends at 6AM in the morning. This edition of SSF will present three stages:

MAIN STAGE
BAR STAGE
ORGANIC STAGE

FOOD

This year our food corner will be organized by Gastrokultura. They make healthy food with an emphasis on taste, balance and naturally grown fruits, vegetables and spices.

In the preparation of their meals, they use fresh raw locally grown ingredients. Everyone will find something for themselves on their menu – meat, vegetarian and vegan dishes, and gluten free dishes. For extra refreshment, ice creams “**Algida**” will be also available at the food corner. We also recommend restaurant “Copacabana”, which is one of the festival's partners.

DRINKS

This year our visitors will enjoy a renewed selection of drinks, from 4 different bars: two main bars, cocktail bar and wine bar. Corona is the official beer of the festival for this year. But you can also enjoy a variety of selected beers.

Traditionally, our Cocktail bar will serve a carefully picked selection of signature cocktails. We recommend Jack Daniel's Lynchburg Lemonade.

The novelty we bring you this year is a wine bar located next to the new third stage ORGANIC, including a lounge zone for easy wine tasting and enjoying. This bar will include a domestic selection of wines from local manufacturer MOLA Vineyards along with the selection of Croatian wines.

FESTIVAL CURRENCY

Cash cannot be used for any payments at the festival, and it must be exchanged for tokens. Tokens can be bought with cash/credit card. The value of the Token amounts to €0.5. There will be several selling points where you can buy tokens at the festival site.

SOUVENIRS

Starting from this year, we are introducing a new booth with souvenirs, where you will be able to buy SSF merchandise, T-shirts, bags and hats.

LEISURE

In addition to music, drinking, eating, sunbathing and swimming, we provided for you some extra activities to enjoy at the beach: yoga and volleyball. Twice a day, with sunrise and sunset, we will exercise Hatha yoga on the beach. And with the perfect sandy beach, you can play volleyball during all day.

FESTIVAL RULES

Your ticket must be exchanged for the wristband, which can be done at the entrance booth. Keep your wristband with yourself at all times because it allows you multiple entrances and exits from the festival until the end of SSF.

Gates of the festival will be opened at 1:30PM and closed at 6AM, every day from Thursday to Sunday.

Persons under 18 are allowed to enter until 8PM, only if they are accompanied by an adult.

It is banned to bring food, beverages, sharp tools, weapons, narcotics and other illegal and prohibited substances and tools that may be used for violating public peace and order.

Any suspicion or allegation on using prohibited items will be taken seriously and treated in accordance with the laws in force in Montenegro.

MEDICAL CARE

All necessary medical care during the festival will be provided by the

private healthcare facility “Milmedika”.

Wi-Fi

Montenegro Telekom has provided free Wi-Fi for all of their

users. For those visitors who do not use the 067 network, the organizers have provided free pre paid packages “Holiday” that could be bought at the entrance.
