ATM CASH MACHINES

ATMs could be found in Ulcinj and in Donji Stoj. There are a number of banks in Ulcinj.

RETAIL STORES AND RESTAURANTS

There are various markets and grocery stores working during daytime within 2 km of the festival location. Montenegrin coast is famous for fresh, organic and delicious cuisine, especially for fish and sea food dishes. And you will love the hospitality of our warmhearted people. There are a number of restaurants within 5 km of the festival location.

ON SITE FACILITIES

Gates of the festival will be opened at 1^{PM} and closed at 6^{AM}, every day from Thursday to Sunday.

WRISTBAND COLLECTION

From this year you will only have one RFID wristband used both as your entry pass and digital wallet. **We are Green!** Instead of printing your e-ticket just show it on your smartphone at the entrance and you will get your wristband.

FESTIVAL CURRENCY

Cash cannot be used for any payments at the festival site! Electronic RFID wristbands for payments which we introduced last year are here again. We teamed up with GlowNet to bring you this easy cashless payment solution making it more secure for all our visitors to purchase food, drinks and other goods at the festival site. With your first top-up you will pay a non-refundable 4€ for your wristband, but don't worry you will get a Corona beer for that value when you first start using your wristband! **NOTICE: SPEND ALL YOUR WRISTBAND MONEY ON-SITE, AS THERE WILL BE NO REFUND UNDER ANY CIRCUMSTANCES.**

FOOD

Starting from this year, we will have an on-site food truck offering a variety of hot and cold dishes, including burgers, sandwiches, vegetable meals, fruits and desserts.

DRINKS

This year our visitors will enjoy the finest selection of drinks, from 6 different bars: home / Organic / Cosmic & beach bar, cocktail bar and wine&champagne bar. Corona is the official beer of the festival again this year. But you can also enjoy a variety of selected beers. Traditionally, our Cocktail bar will serve a carefully picked selection of signature cocktails. We recommend Jack Daniel's Lynchburg Lemonade. The wine bar, including a lounge zone for easy wine tasting and enjoying, will include a domestic selection of wines from local manufacturer MOLA Vineyards along with Mionetto Prosecco. You can also enjoy the best Italian espresso KIMBO coffee.

LEISURE

In addition to music, drinking, eating, sunbathing and swimming, we provided for you some extra activities to enjoy at the beach.
